**Section 501.052. Hearing on Refusal to Issue or Revocation or Suspension of Title; Appeal**

- (a) An interested person aggrieved by a refusal, rescission, cancellation, suspension, or revocation under Section 501.051 may apply for a hearing to the county assessor-collector for the county in which the person is a resident. (c) At the hearing, the applicant and the department may submit evidence.

(d) A determination of the assessor-collector is binding on the applicant and the department as to whether the department correctly refused to issue or correctly rescinded, canceled, revoked, or suspended the title.

(e) An applicant aggrieved by the determination under Subsection (d) may appeal only to the county or district court of the county of the applicant's residence. ## **SUBCHAPTER D. SALES OF MOTOR VEHICLES AND TRANSFERS OF TITLE**

### **Section 501.071. Sale of Vehicle; Transfer of Title**

- (a) Except as provided in Section 503.039, a motor vehicle may not be the subject of a subsequent sale unless the owner designated on the title submits a transfer of ownership of the title.
- (b) The transfer of the title must be in a manner prescribed by the department that:
- (1) certifies the purchaser is the owner of the vehicle; and
  - (2) certifies there are no liens on the vehicle or provides a release of each lien on the vehicle.

### **Section 501.072. Odometer Disclosure Statement**

- (a) Except as provided by Subsection (c), the seller of a motor vehicle sold in this state shall provide to the buyer, on a form prescribed by the department, a written disclosure of the vehicle's odometer reading at the time of the sale. The form must include space for the signature and printed name of both the seller and buyer.
- (b) When application for a certificate of title is made, the owner shall record the current odometer reading on the application. The written disclosure required by Subsection (a) must accompany the application.
- (c) An odometer disclosure statement is not required for the sale of a motor vehicle that:
- (1) has a manufacturer's rated carrying capacity of more than two tons;
  - (2) is not self-propelled;
  - (3) is 10 or more years old;
  - (4) is sold directly by the manufacturer to an agency of the United States government in conformity with contractual specifications; or
  - (5) is a new motor vehicle.

**Section 501.0721. Delivery of Receipt and Title to Purchaser of Used Motor Vehicle**

A person, whether acting for that person or another, who sells, trades, or otherwise transfers a used motor vehicle shall deliver to the purchaser at the time of delivery of the vehicle a properly assigned title or other evidence of title as required under this chapter.

**Section 501.073. Sales in Violation of Chapter**

A sale made in violation of this chapter is void and title may not pass until the requirements of this chapter are satisfied.

**Section 501.074. Transfer of Vehicle by Operation of Law**

(a) The department shall issue a new title for a motor vehicle registered in this state for which the ownership is transferred by operation of law or other involuntary divestiture of ownership after receiving:

- (1) a certified copy of an order appointing a temporary administrator or of the probate proceedings;
- (2) letters testamentary or letters of administration;
- (3) if administration of an estate is not necessary, an affidavit showing that administration is not necessary, identifying all heirs, and including a statement by the heirs of the name in which the certificate shall be issued;
- (4) a court order; or
- (5) the bill of sale from an officer making a judicial sale.

(b) If a lien is foreclosed by nonjudicial means, the department may issue a new title in the name of the purchaser at the foreclosure sale on receiving the affidavit of the lienholder of the fact of the nonjudicial foreclosure.

(c) If a constitutional or statutory lien is foreclosed, the department may issue a new title in the name of the purchaser at the foreclosure sale on receiving:

- (1) the affidavit of the lienholder of the fact of the creation of the lien and of the divestiture of title according to law; and
- (2) proof of notice as required by Sections 70.004 and 70.006, Property Code, or by Section 59.0445, Property Code.

(d) Notwithstanding the terms of Section 501.005, in the event of a conflict between this section and other law, this section controls.

**Section 501.076. Limited Power of Attorney**

(a) An owner who has a contractual option to transfer ownership of a vehicle in full or partial satisfaction of the balance owed on the vehicle, as provided in Section 348.123(b)(5), Finance Code, may execute a written limited power of attorney that authorizes an agent to complete and sign for the owner, and provide to the transferee, the

form to transfer the title under Section 501.071 and the odometer disclosure under Section 501.072, and the other documents necessary to transfer title.

(b) The owner may execute the limited power of attorney at the time the owner enters the contract giving the owner the option to transfer the vehicle or at any time after that date. The limited power of attorney may only be used if an owner elects to transfer the vehicle in full or partial satisfaction of the contract and may not be used by the holder of the contract as part of the holder's exercise of a remedy for a default by the owner under the contract.

(c) The person named as the agent in the limited power of attorney must meet the following requirements:

(1) the person may be a person who has been deputized to perform vehicle registration functions as authorized by rules adopted under Section 520.0071, a licensed vehicle auction company holding a wholesale general distinguishing number under Section 503.022, a person who has a permit similar to one of the foregoing that is issued by the state in which the owner is located, or another person authorized by law to execute title documents in the state in which the owner executes the documents; and

(2) the person may not be the transferee or an employee of the transferee. The person may not act as the agent of both the transferor and transferee in the transaction. For the purposes of this section, a person is not the agent of both the transferor and transferee in a transaction unless the person has the authority to sign the documents pertaining to the transfer of title on behalf of both the transferor and the transferee.

(d) If a limited power of attorney is used under Subsection (a), the holder of the contract shall accompany the power of attorney with a written statement that the vehicle was returned at the election of the owner in full or partial satisfaction of the owner's obligations under the contract and not as the result of the exercise by the holder of the contract of its remedies for default.

(e) A signed and dated written odometer disclosure containing the information described in this subsection may be included on or with the power of attorney if the power of attorney is executed within 120 days before the date of the transfer and is accompanied by the conspicuous written notification described in this subsection. If an odometer disclosure is not obtained in that manner, the transferee or agent or the person to whom the vehicle is delivered at the time of the transfer shall request an odometer disclosure as provided in this subsection. Not more than 120 days before the transfer of the vehicle by the owner, the transferee or agent under the power of attorney or person receiving delivery of the vehicle shall in writing request the owner to provide a signed and dated written statement stating the odometer reading (not to include tenths of a mile) as of the date of the statement, and further stating words to the effect that either:

(i) to the best of the owner's knowledge, the odometer reading reflects the actual mileage of the vehicle;

(ii) the actual mileage has gone over the odometer's mechanical limits and the odometer reading reflects the amount of mileage in excess of the mechanical limits of the odometer, if the owner knows that to be the case; or

(iii) the odometer reading is not the actual mileage, if the owner knows that to be the case. The statement may consist of a form in which the agent or transferee or person receiving the vehicle includes the identification of the vehicle and owner and which allows the owner to fill in the odometer reading and mark an applicable box to indicate which of condition (i), (ii), or (iii) is applicable and to date and sign the statement. With the request for the owner's statement, the transferee or agent or person receiving the vehicle shall provide a written notification to the owner to the effect that the owner has a duty under law to state the odometer reading, state which of conditions (i), (ii), or (iii) is applicable, and sign, date, and return the statement and that failing to do so or providing false information may result in fines or imprisonment. Unless the written notification is delivered to the owner at substantially the same time that the owner is delivering the signed and dated owner's statement, the written notification must also state a date by which the owner must provide this information and an address to which it may be delivered.

This written notification to the owner must be in bold letters, underlined, or otherwise conspicuous and may be in a separate document or included as part of a form to be used for the owner's statement or in another document relating to the potential transfer. The transferee or agent or the person receiving delivery of the vehicle may mail the request and notification to the last known address of the owner or may otherwise send or deliver it to the owner. If there are multiple owners of the same vehicle, the request and notification may be sent to one or more of them and it shall be sufficient for one owner to sign the statement. The owner has a duty to return the signed and dated statement as directed in the notification. In completing the odometer disclosure on the owner's behalf, the agent shall identify the same condition (i), (ii), or (iii) provided in the owner's statement, unless the agent knows that the condition identified in the owner's statement is not correct. The agent will not indicate in the odometer disclosure it completes on the owner's behalf that the odometer reading is not the actual mileage unless either the owner has so indicated in the owner's statement or the agent knows that the owner's statement is not correct. The agent shall transmit the owner's statement it receives to the transferee after the title transfer is completed. The owner's statement received by the transferee under this subsection need not be filed with the filing office for the other title documents, but the transferee shall retain the owner's statement for a time period and in a similar manner to the retention methods used by a lessor to retain statements under 49 C.F.R. Section 580.8(b), as it may from time to time be amended. The transferee may rely upon the agent's odometer disclosure and the owner's statement unless it knows that they are not correct. A failure by an owner to comply with an obligation under this subsection subjects the owner to the penalties and enforcement provisions of Subchapter H but does not affect the validity of the transfer of title.

(f) This section does not in any way impair or impede any transfers made through use of a power of attorney prior to the effective date of this section, and such transfers shall continue to be valid if they comply with the provisions of this section or would otherwise comply with the law in effect prior to the effective date of this section. This section does not apply to powers of attorney authorized under federal law or regulation that authorize a transferee to act as the agent of the transferor under certain circumstances or to powers of attorney otherwise authorized by the law of this state. This section does not affect the

use of powers of attorney to sign, complete, and deliver the form to transfer title and other documents necessary to transfer title, including the odometer disclosure, in title transfers other than those described in Subsection (a).

(g) The power of attorney created in this section shall be limited for the purposes and duration specified in this section.

(b) An assignee or assignor may, but need not to retain the validity, perfection, and priority of the lien assigned, as evidence of the assignment of a lien recorded under Section 501.113:

- (1) apply to the county assessor-collector for the assignee to be named as lienholder on the title; and
- (2) notify the debtor of the assignment.

(c) Failure to make application under Subsection (b) or notify a debtor of an assignment does not create a cause of action against the recorded lienholder, the assignor, or the assignee or affect the continuation of the perfected status of the assigned lien in favor of the assignee against transferees from and creditors of the debtor, including lien creditors, as defined by Section 9.102, Business & Commerce Code.

(d) An application under Subsection (b) must be acknowledged by the assignee.

(e) On receipt of the completed application and fee, the department may:

- (1) amend the department's records to substitute the assignee for the recorded lienholder; and
- (2) issue a new title as provided by this chapter.

(f) The issuance of a title under Subsection (e) is recordation of the assignment.

(g) Regardless of whether application is made for the assignee to be named as lienholder on the title, the time of the recordation of a lien assigned under this section is considered to be the time the lien was initially recorded under Section 501.113.

(h) Notwithstanding Subsections (a)--(g) and procedures that may be conducted under those subsections, the assignment of a lien does not affect the procedures applicable to the foreclosure of a worker's lien under Chapter 70, Property Code, or the rights of the holder of a worker's lien. Notice given to the last known lienholder of record, as provided by that chapter, is adequate to allow foreclosure under that chapter.

(i) Notwithstanding Subsections (a)--(g) and the procedures that may be conducted under those subsections, the assignment of a lien does not affect the procedures applicable to the release of a holder's lien under Section 348.408, Finance Code.

### **Section 501.115. Discharge of Lien**

*First of two versions of subsection (a): As amended by Acts 2011, 82nd Leg., ch. 117, § 24, effective September 1, 2011*

(a) When a debt or claim secured by a lien has been satisfied, the lienholder shall, within a reasonable time not to exceed the maximum time allowed by Section 348.408 or

353.405(b), Finance Code, as applicable, execute and deliver to the owner, or the owner's designee, a discharge of the lien on a form prescribed by the department.

(b) The owner may submit the discharge and title to the department for a new title.

### **Section 501.116. Cancellation of Discharged Lien**

The department may cancel a discharged lien that has been recorded on a title for 10 years or more if the recorded lienholder:

(1) does not exist; or

(2) cannot be located for the owner to obtain a release of the lien.

### **Section 501.117. Electronic Lien System**

(a) The department by rule shall develop a system under which a security interest in a motor vehicle may be perfected, assigned, discharged, and canceled electronically instead of by record maintained on a certificate of title. The department may establish categories of lienholders that may participate in the system and, except as provided by this section, may require a lienholder to participate in the system.

(b) The department shall publish and distribute procedures for using the system to county assessor-collectors and to financial institutions and other potential motor vehicle lienholders.

(c) The provisions of this chapter relating to perfecting, assigning, discharging, and canceling a security interest in a motor vehicle by record maintained on a certificate of title do not apply to the extent the security interest is governed by rules adopted under this section.

(d) The department may not require a depository institution, as defined by Section 180.002, Finance Code, to participate in the system if the department has issued fewer than 100 notifications of security interests in motor vehicles to the depository institution during a calendar year.

*(d-1) Expired pursuant to Acts 2011, 82nd Leg., ch. 813 (H.B. 2575), § 1, effective January 1, 2013.*

*(d-2) Expired pursuant to Acts 2011, 82nd Leg., ch. 813 (H.B. 2575), § 1, effective January 1, 2013.*

(e) The department by rule shall establish a reasonable schedule for compliance with the requirements of Subsection (a) for each category of lienholder that the department requires to participate in the system.

(f) The department may not:

- (1) prohibit a lienholder from using an intermediary to access the system; or
- (2) require a lienholder to use an intermediary to access the system.

## **SUBCHAPTER G. ADMINISTRATIVE PROVISIONS**

### **Section 501.132. Duplicate Title Receipt**

Except as otherwise provided by department rule, the department may not issue a duplicate title receipt unless the original title receipt or certificate of title is surrendered.

### **Section 501.134. Lost or Destroyed Certificate of Title**

(a) If a printed title is lost or destroyed, the owner or lienholder disclosed on the title may obtain, in the manner provided by this section and department rule, a certified copy of the lost or destroyed title directly from the department by applying in a manner prescribed by the department and paying a fee of \$ 2. A fee collected under this subsection shall be deposited to the credit of the Texas Department of Motor Vehicles fund and may be spent only as provided by Section 501.138.

(b) If a lien is disclosed on a title, the department may issue a certified copy of the original title only to the first lienholder or the lienholder's verified agent.

(c) The department must plainly mark "certified copy" on the face of a certified copy issued under this section. A subsequent purchaser or lienholder of the vehicle only acquires the rights, title, or interest in the vehicle held by the holder of the certified copy.

(d) A purchaser or lienholder of a motor vehicle having a certified copy issued under this section may at the time of the purchase or establishment of the lien require that the seller or owner indemnify the purchaser or lienholder and all subsequent purchasers of the vehicle against any loss the person may suffer because of a claim presented on the original title.

(e), (f) *Repealed by Acts 2011, 82nd Leg., ch. 1296 (H.B. 2357), § 247(3), effective January 1, 2012.*

(g) The department may issue a certified copy of a title only if the applicant:

- (1) is the registered owner of the vehicle, the holder of a recorded lien against the vehicle, or a verified agent of the owner or lienholder; and
- (2) submits personal identification as required by department rule.

(h) If the applicant is the agent of the owner or lienholder of the vehicle and is applying on behalf of the owner or lienholder, the applicant must submit verifiable proof that the person is the agent of the owner or lienholder.

(i) *Repealed by Acts 2011, 82nd Leg., ch. 1296 (H.B. 2357), § 247(3), effective January 1, 2012.*

**Section 501.135. Record of Stolen or Concealed Motor Vehicle**

(2) note the fact of the report in the department's records.

(b) A person who reports a motor vehicle as stolen or concealed under Subsection (a) shall notify the department promptly if the vehicle is recovered, and the department shall change its records accordingly.

**Section 501.138. Collection and Disposition of Fees**

(a) An applicant for a title, other than the state or a political subdivision of the state, must pay a fee of:

(1) \$ 33 if the applicant's residence is a county located within a nonattainment area as defined under Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407), as amended, or is an affected county, as defined by Section 386.001, Health and Safety Code; or

(2) \$ 28 if the applicant's residence is any other county.

(b) The fees shall be distributed as follows:

(1) \$ 5 of the fee to the county treasurer for deposit in the officers' salary fund;

(2) \$ 8 of the fee to the department:

(A) together with the application within the time prescribed by Section 501.023; or

(B) if the fee is deposited in an interest-bearing account or certificate in the county depository or invested in an investment authorized by Subchapter A, Chapter 2256, Government Code, not later than the 35th day after the date on which the fee is received; and

(3) the following amount to the comptroller at the time and in the manner prescribed by the comptroller:

(A) \$ 20 of the fee if the applicant's residence is a county located within a nonattainment area as defined under Section 107(d) of the federal Clean Air Act (42 U.S.C. Section 7407), as amended, or is an affected county, as defined by Section 386.001, Health and Safety Code; or

(B) \$ 15 of the fee if the applicant's residence is any other county.

(b-1) Fees collected under Subsection (b) to be sent to the comptroller shall be deposited to the credit of the Texas Mobility Fund, except that \$ 5 of each fee imposed under Subsection (a)(1) and deposited on or after September 1, 2008, and before September 1, 2015, shall be deposited to the credit of the Texas emissions reduction plan fund.

(b-2) *[Expires August 31, 2019]* The comptroller shall establish a record of the amount of the fees deposited to the credit of the Texas Mobility Fund under Subsection (b-1). On or

before the fifth workday of each month, the Texas Department of Transportation shall remit to the comptroller for deposit to the credit of the Texas emissions reduction plan fund an amount of money equal to the amount of the fees deposited by the comptroller to the credit of the Texas Mobility Fund under Subsection (b-1) in the preceding month. The Texas Department of Transportation shall use for remittance to the comptroller as required by this subsection money in the state highway fund that is not required to be used for a purpose specified by Section 7-a, Article VIII, Texas Constitution, and may not use for that remittance money received by this state under the congestion mitigation and air quality improvement program established under 23 U.S.C. Section 149.

(b-3) [*Expires August 31, 2019*] This subsection and Subsection (b-2) expire August 31, 2019.

(d) The county owns all interest earned on fees deposited or invested under Subsection (b)(2)(B). The county treasurer shall credit that interest to the county general fund.

#### **Section 501.139. Electronic Funds Transfer**

A county assessor-collector that transfers money to the department under this chapter shall transfer the money electronically.

### **SUBCHAPTER H. PENALTIES AND OTHER ENFORCEMENT PROVISIONS**

#### **Section 501.145. Filing by Purchaser; Application for Transfer of Title**

(1) the certificate of title or other evidence of title; or

(2) if appropriate, a document described by Section 502.457 and the title or other evidence of ownership.

(b) The filing under Subsection (a) is an application for transfer of title as required under this chapter and an application for transfer of the registration of the motor vehicle.

(c) Notwithstanding Subsection (a), if the purchaser is a member of the armed forces of the United States, a member of the Texas National Guard or of the National Guard of another state serving on active duty under an order of the president of the United States, or a member of a reserve component of the armed forces of the United States serving on active duty under an order of the president of the United States, the documents described by Subsection (a) must be filed with the county assessor-collector not later than the 60th day after the date of assignment of ownership.

### **Section 501.146. Title Transfer; Late Fee**

(a) If the application for the transfer of title is not filed during the period provided by Section 501.145, the late fee is to be paid to the county assessor-collector when the application is filed. If the seller holds a general distinguishing number issued under Chapter 503 of this code or Chapter 2301, Occupations Code, the seller is liable for the late fee in the amount of \$ 10. If the seller does not hold a general distinguishing number, subject to Subsection (b) the applicant's late fee is \$ 25.

(b) If the application is filed after the 60th day after the date the purchaser was assigned ownership of the documents under Section 501.0721, the late fee imposed under Subsection (a) accrues an additional penalty in the amount of \$ 25 for each subsequent 30-day period, or portion of a 30-day period, in which the application is not filed.

(c) Subsections (a) and (b) do not apply if the motor vehicle is eligible to be issued:

- (1) classic vehicle license plates under Section 504.501; or
- (2) antique vehicle license plates under Section 504.502.

(d) A late fee imposed under this section may not exceed \$ 250.

### **Section 501.147. Vehicle Transfer Notification**

(a) On receipt of a written notice of transfer from the seller of a motor vehicle, the department shall indicate the transfer on the motor vehicle records maintained by the department. As an alternative to a written notice of transfer, the department shall establish procedures that permit the seller of a motor vehicle to electronically submit a notice of transfer to the department through the department's Internet website. A notice of transfer provided through the department's Internet website is not required to bear the signature of the seller or include the date of signing.

(b) The notice of transfer shall be provided by the department and must include a place for the seller to state:

- (1) a complete description of the vehicle as prescribed by the department;
- (2) the full name and address of the seller;
- (3) the full name and address of the purchaser;
- (4) the date the seller delivered possession of the vehicle to the purchaser;
- (5) the signature of the seller; and
- (6) the date the seller signed the form.

(c) This subsection applies only if the department receives notice under Subsection (a) before the 30th day after the date the seller delivered possession of the vehicle to the purchaser or in accordance with Section 152.069, Tax Code. After the date of the transfer of the vehicle shown on the records of the department, the purchaser of the vehicle shown on the records is rebuttably presumed to be:

- (1) the owner of the vehicle; and
- (2) subject to civil and criminal liability arising out of the use, operation, or abandonment of the vehicle, to the extent that ownership of the vehicle subjects

the owner of the vehicle to criminal or civil liability under another provision of law.

(d) The department may adopt rules to implement this section.

(e) This section does not impose or establish civil or criminal liability on the owner of a motor vehicle who transfers ownership of the vehicle but does not disclose the transfer to the department.

(f) The department may not issue a title or register the vehicle until the purchaser applies for a title to the county assessor-collector as provided by this chapter.

(g) A transferor who files the appropriate form with the department as provided by, and in accordance with, this section, whether that form is a part of a title or a form otherwise promulgated by the department to comply with the terms of this section, has no vicarious civil or criminal liability arising out of the use, operation, or abandonment of the vehicle by another person. Proof by the transferor that the transferor filed a form under this section is a complete defense to an action brought against the transferor for an act or omission, civil or criminal, arising out of the use, operation, or abandonment of the vehicle by another person after the transferor filed the form. A copy of the form filed under this section is proof of the filing of the form.

#### **Section 501.148. Allocation of Fees**

(a) The county assessor-collector may retain as commission for services provided under this subchapter half of each late fee.

(b) The county assessor-collector shall report and remit the balance of the fees collected to the department on Monday of each week as other fees are required to be reported and remitted. The department shall deposit the remitted fees in the state treasury to the credit of the Texas Department of Motor Vehicles fund.

(2) does not possess the title receipt or certificate of title for the vehicle.

(b) It is not a violation of this section for the beneficial owner of a vehicle to sell or offer to sell a vehicle without having possession of the title to the vehicle if the sole reason he or she does not have possession of the title is that the title is in the possession of a lienholder who has not complied with the terms of Section 501.115(a).

registration division of the department as to the recorded ownership of the motor vehicle; and

(2) must make a reasonable inquiry as to the right of possession of a motor vehicle by the person delivering the vehicle for transport if the recorded owner of the vehicle is a person other than the person delivering the vehicle for transport.

(b) A person who violates this section commits an offense. An offense under this section is a misdemeanor punishable by a fine of not less than \$ 50 or more than \$ 500 for a first offense and, at the jury's discretion, not less than \$ 100 or more than \$ 1,000 for a subsequent offense.
